**SEPTEMBER 7TH.**

The third day of our CruiseFire Summer Drive promises an unparalleled driving experience. We start the day with a hearty breakfast to prepare us for the upcoming journey. After a brief driver briefing and an overview of the route, we get ready to conquer the legendary Swiss Alpine passes. Our journey takes us through the majestic peaks of the Swiss Alps and the challenging roads of the Big Five passes: Furka, Susten, Grimsel, Nufenen, and Gotthard. Each pass offers unique landscapes, breathtaking views, and exciting driving dynamics that awaken our senses.

In the morning, we tackle the winding roads of the Furka and Susten passes, challenging us with their tight curves and spectacular vistas. We make short stops to admire the beauty of the alpine nature and take some photos. After a delicious lunch, we continue our drive and conquer the Grimsel and Nufenen passes. These stages provide us with the opportunity to test the technical capabilities of our vehicles and master the demanding roads of the Swiss Alps.

In the evening, we return to our starting point where an exquisite "Drivers Dinner" awaits us. Over good food and lively conversations, we reflect on the day and share our adventures.
